Subject: Mineral Valuation, Solid Minerals
(Supplement to May 25, 1970 Technical Note, same subject)

Selected References:

29. Silbergh, Michael and Brons, Folkert, "Profitability Analysis--Where Are We Now?," Society of Petroleum Engineers (AIME) Pre-Print SPE 2994 (1970). Although oriented toward oil and gas, this is an excellent general discussion of various methods of analysis--past, present and future. Extensive bibliography.
